The mill, gio, press and fixtures belonging to Meara. Stoble & Moore, of Hill county, at Moutersy, we learn with regret, was destroyed by fire on Friday last. The fire is supposed to have originated from a nail in the cottom. Everything, including two gin stande, a cotton press and sixfat mill, with about fifeeen bales of cottom was a total loss only the engine and board being saved. Loss estimated at \$6000; so insurance.
